NATIONAL WESTERN STOCK SHOW..... \$7,500  
AMERICAN ANGUS ASSOCIATION ..... \$7,500

1. National Western Stock Show will charge and collect an entry fee of forty (\$40.00) dollars per head entered. All Canadian and International exhibitors must pay all fees in United States funds.

2. The American Angus Association<sup>®</sup>, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

3. A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.

4. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on championship or any group classes, (i.e. get-of-sire, junior get-of-sire or breeder six-head).

5. Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.

6. Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.

7. Only one person at a time shall lead an animal into the show ring.

8. Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the *Breeders Reference Guide of the Association*. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at [www.angus.org](http://www.angus.org).

## ANGUS ROV SHOW (continued)

9. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

10. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.

11. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

12. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

### BREEDING SHOW CLASSIFICATION:

The individual classes will be made up and divided after the cattle are checked in at the show. They will be judged from the youngest class to the oldest class with each class made up of no more than fifteen (15) head.

### HEIFER CLASSES

**Class 111** - Heifers born on or after September 1, 2016

### COW/CALF CLASSES

**Class 333** - Cows born January 1, 2016 - August 31, 2016

Cows born December 31, 2015 or earlier

Calf must be the cow's most recent natural calf and be no more than 280 days of age on the day of show. (Born April 13, 2018 or after.)

**Any female that qualifies for female classes in the Association's Standard Classifications are not eligible to show in the cow/calf class.**

### BULL CLASSES

**Class 222** - Bulls born on or after January 1, 2016

### GROUP CLASSES

**Class GOS - Get-of-Sire** - four animals by one (1) sire, shown in the above classes, both sexes represented.

**Class JOS - Junior Get-of-Sire** - three (3) animals by one (1) sire, both sexes represented. Entries must have been calved on or after May 1, 2018.

**Class B6H - Breeders Six Head** - The exhibitor of the breeders six head must be breeder and first owner, identified by the same member code for the animals exhibited. Cattle owned by other exhibitors may be included provided the exhibitor of the breeders six head is the breeder and first owner of the included animal(s). Animals must be exhibited in the individual classes. Cattle bred and owned by a junior member may be included if the exhibitor of the breeders six head is an individual or married couple and is the parent or legal guardian of the junior member.

ANGUS ROV SHOW (continued)
