1. Entry Fees. An entry fee of five (\$5.00) dollars per fleece in the Open Show and four (\$4.00) dollars per fleece in the Junior Show will be charged on all fleeces entered for competition. Unless this fee has been paid by the closing date of the show the fleece shall become the property of the National Western Stock Show and it will sell said fleece, deduct the entry fee and remit the balance of the proceeds from its sale to the exhibitor. Refer to Rules and Regulations regarding National Western Stock Show Sales.

2. Purpose. The purpose of this show is to encourage the production of high quality wool; to promote proper handling, grading and preparation for market; to create an awareness of the many qualities of wool and its uses.

3. Eligibility of Contestants. Any growers of wool may enter fleeces, but they must be entered in the name of the grower (partnerships on the Junior Show are ineligible).

4. Wool Participants who will not attend the show need not buy exhibitor passes.

b. Represent not more than twelve (12) months' growth, except in the case of yearling fleeces, when up to sixteen (16) months' growth will be allowed.
c. In case of controversy about the number of months' growth of any fleece, the acknowledged rate of monthly growth of wool from different breeds and types of sheep shall be used as a guide.

d. The Stock Show reserves the right to inspect any fleece entered to determine its eligibility. Fleeces judged over-age and/or found to contain parts of other fleeces, belly wool or tags, will not be allowed to compete and the participant will forfeit entry fees for these ineligible fleeces.

9. Each fleece must be tagged and tag completely filled out with the following information and submitted with entry: Breed, sex, number months' growth, catalog classification.

10. Entries close December 1, 2018 and fleeces must be delivered to the show before 12:00 Noon, December 29, 2018.

12. Consignors may request their fleeces be picked up at the close of the show. All fleeces not marked for pick-up on the entry form will be considered sold. Fleeces will be released for pick-up Sunday, January 27, 2019 from 3:00 p.m. to 4:00 p.m. All fleeces remaining after the release time will be considered unclaimed and will be sold or otherwise disposed of by Stock Show. National Western Stock Show will not ship or deliver any fleeces.

13. In the case of any controversy relative to the classification of any fleece offered for exhibition, affidavits from the Participants may be required. However, in all such controversies and in any interpretation of these rules and regulations, the decision of a committee consisting of the Wool Show Superintendents, the Wool Show Judge and the National Western Stock Show Manager shall be final.

14. Stock Show reserves the right to combine classes, if the number of entries in any individual class does not warrant a separate class, and to place entries in appropriate classes and divisions as necessary.

WOOL SHOW (continued)

15. All fleeces designated for sale will be marketed as a single lot by bid on Friday, January 11, 2019. Telephone bids will be accepted if immediately followed with written confirmation. Every effort will be made to market the wool as a single lot, however, in the event no bids are received, Stock Show reserves the right to dispose of the wool in the best possible means to maximize the dollar return to the exhibitors.

16. Only award winning fleeces will be on display.
