Dear Exhibitors and Fellow Supporters of the National Western Stock Show:

We are excited to welcome you back to Denver for the 2019 National Western Stock Show!

As we celebrate our 113th year, we are amazed at the growth of our Horse Shows since 1906! Nearly every ticketed Horse Show in 2018 was sold out and we look forward to more crowds at this year’s show as we celebrate these equestrian athletes and their riders.

Starting in 2019, exhibitors will begin seeing development of the new livestock yards. This will be part of Phase 1 for the National Western Center development. Once the new Yards are complete, we will begin the new Livestock Center and Equestrian Center. Careful consideration continues to be given to the road infrastructure in our new facilities to build the best ingress and egress routes for our exhibitors as well as a good walking experience for guests. The association will also have a permanent home in the Legacy Building on the 250-acre facilities. This center will serve as the focal point on site for the Western Stock Show Association and will house the new NW Club, Heritage Center, Board Room and staff offices.

We look forward to a future of celebrating the new center with our valued exhibitors, partners and public as we showcase the importance of agriculture and the western way of life. Throughout the build-out, our site will continue to host the much-loved National Western Stock Show every single January, as well as Rodeo All-Star Weekend in April and the Denver County Fair in July. Exhibitors and supporters can stay up to date on all phases by visiting the National Western Center’s website.

It is your participation and support, year after year, that allows us to succeed and grow as one of the top Horse Shows in the world. We simply could not do it without you.

On behalf of our Members, Trustees, Board of Directors and Staff, thank you for your continued support of the National Western Stock Show.

Best Wishes and Continued Success,

Paul Andrews
President & CEO

The 2019 National Western Horse Show will be held under the auspices of The Western Stock Show Association in connection with the National Western Stock Show & Rodeo.

In presenting the following classification and prize lists, the Management retains the right to make such changes in the classes as it may determine necessary for the success of the exhibition.

Everything possible is being done to conduct this annual Horse Show on the highest possible plane. The best judges to be found are selected and they are instructed to place the ribbons upon the horses as they see them in the ring, without regard to previous records of performance of such animals. The Management desires to treat all exhibitors fairly, and in return asks for their cooperation in making this show the success it has always been.

AHEAD OF THE CURVE.
IT’S WHERE WE BOTH BELONG.

We’re never quite satisfied with the status quo at John Deere – and that’s a good thing because it drives us to enhance hay and livestock operations with even better products…like our latest line of balers and accumulators.

With eight different models to choose from, **Zero Series Round Balers** produce higher density bales to drastically reduce mixer/grinder time when making feed rations. While the new **Plus2™ Round Baler Accumulators** – featuring two models – can haul up to three bales at once. All this innovation adds up to greater efficiency and increased productivity in the field.

Now that’s what John Deere can do for you.

A. DAMAGES: The exhibitor and/or owner will be responsible and pay for damages to the NWSS premises, facilities or equipment caused by, the exhibitor, owner, any related individual or entity, their employees, associates and or agents for all activities of the exhibitor and support personnel while on the premises of NWSS.

5. FORCE MAJEURE AND GOVERNMENT REGULATION: In view of the fact that NWSS is a non-profit corporation depending, to a great degree, upon the contributions and services of a substantial number of donors and volunteers, as well as the benefits provided by NWSS to the general public through education and related services as set forth in the Preamble to these General Rules and Regulations, NWSS deems it appropriate and prudent to be excused from liability, as set forth below in this paragraph, in the event of early cancellation of its events, operations and activities by reason of force majeure and/or governmental regulation. Accordingly, the following shall apply to the operations and activities conducted by NWSS:

NWSS shall not be liable for any delay or failure to perform its operations, activities, shows and events to the extent such delay or failure results from a force majeure occurrence. A force majeure occurrence is defined as any occurrence arising from causes beyond the reasonable control of NWSS which delays or prevents performance by NWSS otherwise required by this Agreement, including but not limited to any (i) breakage or accident to equipment, machinery or facilities; (ii) any strikes, lock-outs or other labor difficulties; (iii) statutes, ordinances, regulations, orders, or rules issued by governmental authorities; (iv) judicial decrees or orders; (v) acts of God; (vi) animal diseases and/or quarantines; (vii) wars, riots or insurrections; (viii) civil disobediences, public demonstrations or sabotage;
(ix) fires, floods, explosions or inclement weather; (x) inability to obtain necessary labor, materials, supplies, utilities or transportation; (xi) depressions, recessions or other economic downturns; (xii) terror events; (xiii) embargoes or energy shortages; or (xiv) other causes beyond NWSS’s reasonable control.

NWSS shall not be liable for any delay or failure to perform its operations, activities, shows and events to the extent such delay or failure results from NWSS’s good faith compliance with applicable governmental statues, ordinances, regulations, orders, rules or other directives, including but not limited to compliance with governmental directives concerning public health and safety, animal disease prevention detection and response, including animal quarantine and/or destruction; and protection of the environment.

6. DOGS AND PETS: It is recommended pets be left at home. If you do travel with pets, owners assume all liability for pets brought to the show. Pets are not permitted to be loose on competition grounds and all pets must be on leashes or otherwise contained. No dogs will be allowed in the arenas at any time. Any pet found loose will be detained by the show until a fine is paid. Any pet owner whose pet disrupts the show will be required to pay a $100.00 fine to NWSS (Exception: service animals aiding individuals or those dogs under contract with the NWSS). As a courtesy, pet owners are required to pick up and dispose of all animal waste in the appropriate areas.

7. NWSS MANAGEMENT RIGHTS: NWSS Management reserves the right to adjust start times and/or rearrange classes if necessary to compensate for excessive entries or time shortages. The Show Management reserves the right to limit entries in any class, change any course or pattern, cancel or combine any unfilled classes, or reschedule classes, after notice to exhibitors. The Show Management reserves the right to make substitutions of judges or officials, if deemed necessary. Any questions or situations not covered in these Rules and Regulations shall be decided by the Show Management and their decision will be final.

8. DISABLED: NWSS shall not knowingly exclude disabled exhibitors from showing who are in compliance with national association rules, NWSS Rules and Regulations and who have appropriate licenses and documentation.

9. ENTRIES: Every entry shall constitute an agreement that the person making it, owner, trainer, lessee, agent, manager, coach, rider, and the horse shall be subject to the constitution and rules and regulations of each sanctioning organization and the NWSS. Exhibitors are responsible for their own errors and those of their agents in preparation of entries. Entries should be made out on proper entry forms and accompanied by fees and all necessary papers (youth cards, amateur cards, association membership cards, measurement cards and complete copies of registration papers showing current owner). If an entry is received missing any of the above items, it will be returned to the exhibitor to be fulfilled. Then, if the entry is returned back to NWSS after the entry deadline, a late entry fee may be charged.

A. ENTRY DEADLINES: Entries for the 2019 Horse Show open on Thursday, November 15, 2018. Entries postmarked prior to November 15 will not be processed until after that date. Entries for the Draft Horse, Mule and Donkey Show will close Friday, November 30, 2018. Entries for the Horseman’s Challenge, AQHA, APHA, Hunter/Jumper and NRCHA Shows will close Friday, December 14, 2018. These deadlines will prevail unless otherwise stated or communicated. The Post Office postmark will be accepted over meter when both are present.

B. LATE OR POST ENTRIES: Late or post entries will be accepted with the Horse Show Manager’s approval, and, if that event or show has not reached capacity, up until Monday, December 31, 2018. Any entry postmarked or arriving after the entry closing deadline will be considered a late entry. The penalty shall be $25 per horse/team entry. NO new entries will be accepted after Monday, December 31, 2018.

C. POST CLASS ENTRIES: Post class entries will be accepted for horses that are already entered in the show and other classes, are on the grounds and entering a class that has not yet reached the cap. There may be a penalty charge of $10 per post-entered class. Any classes added after the entry closing date will be considered a post class entry. In some divisions entries will not be taken less than 24 hours prior to the scheduled time of class. This will not apply to divisions that allow for championship classes. Entries for championship classes or final rounds must be processed in the Horse Show Office by the posted deadlines.

D. FEES: Except as set forth elsewhere in the Rules and Regulations, all fees must accompany entries. Fees for each show are outlined on the specific division pages and entry forms. All
Canadian and international exhibitors must pay all fees in United States funds. Any exhibitor issuing a check for payment of entries, stall or badges which does not clear their account for any reason will have five (5) days in which to make payment to keep entries eligible to participate in the NWSS, with a $40.00 additional charge assessed.

E. ENTRY CAP: The Show Management reserves the right to cap or limit entries in one (1) or more divisions, show or events. Entries with full payment received by the closing date will be processed by postmark; this will be a consideration if a division must be capped. The Show Management reserves the right to refuse, accept conditionally, and/or cancel any entries, also to disqualify exhibitors, prohibit exhibition of entries, and cancel awards or prizes, without claims for damage.

F. SUBSTITUTIONS: Substitutions must be made prior to or during show with the Horse Show Office. A fee of $30.00 per horse will be charged for substitutions. All substitutions must be in writing (fax acceptable (303) 299-5526). No substitutions will be accepted by phone. Riders or handlers may be substituted at any time provided the change has been made in the Horse Show Office, prior to the start of the class and the rider/exhibitor meets all eligibility requirements for the class(es).

G. VET OUT: A vet out requires a vet certificate and notification from the exhibitor explaining the intent to vet out of the entire show. Vet outs received prior to December 31st will have all fees refunded. Vet outs received after December 31st but before the last day of their division's show will have all fees refunded except a $30 processing fee per horse/back number. Once a horse or other animal is on NWSS Grounds, the vet certificate must come from the NWSS Official Show Veterinarian. All vet outs must be turned into the Horse Show Office by the last day of the division in which the horse or other animal is competing. Exhibitor badges and parking passes will not be available to owners, exhibitors or trainers if the entry is vetted out. Refunds for any other reason are at the sole discretion of Show Management. No refunds will be made on accounts of less than $10.00.

H. SHOW SCRATCH: Exhibitors canceling entries without proper vet out requirements will forfeit all fees. Exhibitor badges and parking passes will not be available to owners, exhibitors, or trainers if the entry is scratched.

I. CLASS CHANGES: Class changes originated by the owner, agent, or exhibitor will be subject to additional charges. All changes must be made in the Horse Show Office prior to the posted deadline for changes for that division. Any exhibitor who does not compete in class(es) in which the exhibitor is officially entered, and does not scratch in the Horse Show Office prior to the posted deadline, will be billed for the class(es). Horses shown in a class without being officially entered will pay a penalty of $25 per class in addition to the regular entry fee.

J. NUMBERS: All entry form data must be completely and accurately completed before each horse will be assigned a competition number. This number must be prominently displayed in accordance with breed association or federation rules whenever the horse is in the arena.

K. ORDERS OF GO: Orders of go will be computer drawn unless a physical draw is completed with at least two owners, trainers, agents or exhibitors present.

L. RESULTS: All results are subject to verification and review. All National Western Horse Show results are unofficial until Management and the sanctioning organization have reviewed and approved those results.

M. STALLIONS: Junior exhibitors will not be allowed to ride, drive or handle stallions in any class except as authorized in breed division rules.

10. HORSE SHOW OFFICE: The NWSS Horse Show Office in the Events Center will open January 12, 2019 one (1) hour before the first class or event and remain open until thirty (30) minutes after the last class of each day, unless otherwise posted. All Horse Show Office business must be conducted during these hours. Competition numbers may be picked up during regular Horse Show Office hours on days that division, show or event is on grounds.

11. ARENA & WARM UP SCHEDULES: Arena warm up schedules and night schooling will be posted at the Paddock Stand, Horse Show Office and Stalling Office at the beginning of each Show. The Events Center main arena is 150' x 300' at full spread, and the paddock arena is 85' x 185'. The footing in all arenas is a mix of sand and loam.
12. RING PROCEDURES: The show ring will be under absolute control of Show Management. Only qualified persons will be allowed in the ring during judging. Notice will be served upon all exhibitors as to the time classes will be called and all horses must be ready and waiting to enter the ring promptly. A two-minute gate rule will be enforced. When the gates are closed and the judge has started work, no exhibitor who is late will be admitted. Barn calls are made as a courtesy. It is the responsibility of the exhibitor to be aware of the progression of the show and be ready for their class when it enters the arena. There shall be no refunds for missed classes.

13. ATTIRE: It is the tradition of the show ring that an exhibitor be correctly attired for the class in question, that attendants be neatly dressed and horses properly presented. Show Management may, at its discretion, bar an entry or person from entering the ring if not suitably presented. There shall be no refunds for classes missed due to improper appearance.

14. CLASSES: Classes will be called according to the published schedule. All horses must be ready and waiting to enter the arena promptly. Horses will not be allowed to enter the arena after the gates are closed and the judge has started to work. Exhibitors are responsible for informing the Paddock Master of tack changes or any other delay that may cause the exhibitor to be late and possibly miss the class. The gate will be held or a break taken at the Show Management’s sole discretion. Gate holds will be for back-to-back classes only and prior approval from Show Management must be obtained. Classes may be split or combined at the discretion of the Management.

15. PRIZE MONEY: Prize money checks will be mailed to the exhibitors as soon as processing allows, but within 30 days of the end of that division’s show. Premiums will not be paid to any exhibitor who does not submit proper tax ID information. All premiums, whatsoever, not claimed within 90 days upon receipt, shall be deemed forfeited.

19. ARRIVAL PROCEDURE: The NWSS wants Horse Show exhibitors’ arrival to be as smooth and enjoyable as possible. Horses must enter NWSS grounds via the Staging Area located off Brighton Blvd, see map on page 7. Health papers must be submitted at this time. Trailers will be directed to the unloading area by NWSS staff. Upon arrival, stall assignments will be available. After unloading, trucks and trailers must promptly be moved to designated parking areas. Unloading/loading time is limited. All horses must arrive and depart according to the schedule on page 11. Exhibitors arriving without a trailer may park as directed in a vehicle lot and continue to the Satellite Trailer in the Staging Area to pick up any pre-ordered credentials or purchase additional.

20. STALLING

A. STALL RESERVATIONS: Each horse entry will be allotted one stall as part of their Show Fee. Every horse is required to stall – no haul-ins will be permitted. Stalls will be assigned by the Stalling Superintendent. Horses must be placed in the assigned stalls and no change will be permitted without consent of the Stalling Superintendent. Horses not entered in the show will not receive a stall.

B. REQUESTS: Requests for adjacent stalls from different owners should be requested on each owner’s entry form and sent in the same envelope. Stall assignments will be available when horses arrive at the gate. Horses or other animals placed in stalls not assigned to them will be required to be moved by the owner or related entity. Stalls will not be assigned until all class and entry fees have been paid. Exhibitors are not allowed to move other owner’s horses or other animals from stalls. If horses are not out of stalls at assigned times, a penalty of $500.00 will be assessed per animal per day.

C. TACK STALLS: Additional stalls must be ordered on your horse entry form. Due to limited availability, exhibitors may reserve one (1) tack stall for every three stalls purchased. No more than six tack stalls per “stall with” group may be reserved.

D. MULTI DAY STAY: If a horse or other animal is entered in more than one (1) breed/division, a stall fee for each division must be paid and arrangements made with the Stalling Superintendent to remain in the same stalls or relocate. Stalling is not permitted for horses or other animals not entered in competition. All owners will have to find stalling off grounds for the horses or other animals not currently showing.

E. CARE: All horses or other animals will be under the supervision and care of their owners. Horse or other animal exhibitors are required to keep their stall and the aisles clear and neat. Stall emergency contact cards are available in the Horse Show Office and Stalling Office for posting on stalls. Locks on stalls are not allowed, except for tack stalls.

F. STALLS: The stalls are 8’ x 10’ in the Events Center and 10’ x 10’ in the Expo Hall. All stall doors are provided. Any panels not returned to their original position prior to that division's move out will be charged $20.00 per panel. This fee will be charged to the exhibitor, if identifiable, or to the barn or trainer’s account.

G. BARN CLEAN-UP: All exhibitors will be required to dump manure in NWSS designated areas to help with quick removal. It is also requested by NWSS staff that all alleyways be watered to help keep down the dust in the barns. If rules are not strictly adhered to, the Show Management has the right to request any exhibitor to vacate the show grounds.

H. NO NAILS: No nails in stall walls are allowed. Exhibitor will be charged $10.00/nail for removal. This rule will be strictly enforced by NWSS Management.
I. STALLING OFFICE: The Events Center Stalling Office is located between the Events Center Paddock arena and the Events Center Barn area. It will remain open 24 hours a day beginning Friday, January 11, 2019.

J. DECORATIONS: Stall decorations must not block any aisle ways and must be fire retardant. Blocking or partial blocking of aisles is prohibited. Any material covering the top of stalls is prohibited, with the exception of tack stalls. Sufficient room must be left open in the aisles to allow for two-way horse traffic. Violations will result in a $50.00 fine per incident. This fee will be charged to the exhibitor, if identifiable, or to the barn or trainer’s account.

K. ACCESS: NWSS will provide Fire Code approved stanchions for stall row fronts that are not a public access point to encourage safety of guests, exhibitors and horses. These may be utilized at the exhibitors’ discretion. A $50.00 fine will be charged for any damaged or missing stanchions.

21. FEED AND BEDDING: Feed will be available through the NWSS Feed Office. Exhibitors may bring their own hay and grain if desired. Exhibitors are required to store no more than two days supply of hay in the barns at one time. Bedding can be wood chips or shavings only and must be purchased through the NWSS Feed Office. Straw is not allowed in the barns/stalls, with the exception of draft horses stalled from Wednesday, January 23, 2019 through Sunday, January 27, 2019. Exhibitors are required to pay Feed Office at time of ordering. No open accounts will be allowed. The NWSS Feed Office will be open January 9-January 27 from 7 a.m. to 7 p.m. Exhibitors are encouraged to call ahead (303)299-5530 to pre-order bedding or advise if they will be arriving after hours.

22. WASTE: A disposal system is in place for manure and trash. Please bring your manure to the designated locations near the barns for easy removal. Manure dump areas are for manure only and dumpsters/trash cans are for trash only. Medical waste containers are located in the barn areas. Your cooperation is appreciated to keep our barn areas clean and safe.

23. RELEASE INFORMATION: All exhibitors must obtain a release form before removing any livestock from NWSS Grounds. All releases must be obtained from the Stalling Office. You must have a driver’s license number, vehicle color and make, license plate number and state, trailer color, trailer license plate number and state. Releases are only good for 30 minutes. Prior to requesting a release, your trailer should be packed, horses ready to load, you should obtain a “Paid Feed Bill” from Feed Office and a “Paid Office Bill” from the Horse Show Office to present to the Stalling Superintendent for a release, and if necessary a brand release. Upon release, horses or other animals will not be allowed back on the grounds unless they are returning for a different show with different stall requirements. No “in and out” passes will be issued.

24. EXHIBITOR SEATING: Exhibitor seating is reserved during ticketed events only for those competitors who have horses participating in that ticketed performance. Exhibitor tickets are available only from the Horse Show Office and are on a first come, first served basis. Tickets will be limited to horses/teams competing in each performance. Exhibitors wishing to purchase event tickets may reference the NWSS Ticket Ad in this book.

25. SIGNAGE

A. Breed Association Shows and Sales are held within the confines of the NWSS grounds. NWSS, therefore, reserves all rights to any advertising, signage, announcements, etc., made on behalf of sponsors and supporters of the show. Accordingly, NWSS will not permit any sponsor advertising, signage, announcements, etc., other than those rights contracted directly with the NWSS. Breed Associations, members and exhibitors are, therefore, prohibited from providing exposure during their respective events held here at the NWSS for sponsors they have obtained without written permission from the NWSS. Shirt insignia and embroidered stall curtain insignia are excepted from this rule.

B. Signs on stalls or competition attire cannot advertise commercial ventures or products. Stall signs must advertise farms, ranches, and stable only. Stable name signs with incorporated commercial products must have prior approval from the Horse Show Manager. Show Management reserves the right to remove signs in violation with the above rule.

C. The NWSS places great value upon the NW logo and all variations of the National Western name. Therefore, as of the 1993 show, the Association implemented a licensing program to control the use of the NW logo and all National Western names to ensure compliance with specific quality standards for all merchandise. In accordance with this policy, the NWSS
reserves the right to pursue appropriate legal action to stop the distribution and sale of merchandise that is not covered by a license. As part of this annual licensing program, the NWSS must approve the quality of merchandise that bears its name and trademarks and determine royalties due to the Association upon the granting of such license. We have selected vendors of certain types of merchandise and have exclusive license agreements with those vendors for all on-grounds sales of such National Western logo merchandise. Therefore, all other on-ground vendors are prohibited from selling or distributing any and all National Western logo merchandise.

26. FOOD & ALCOHOL: In accordance with the Colorado State Liquor Code, and City of Denver Law, the National Western Stock Show, Rodeo & Horse Show prohibits the disbursement, sales, or bringing of any non-permitted food or alcohol on grounds by a third party. Food and alcoholic beverages can be obtained from our in-house concessionaire, KM Concessions, located at various locations throughout the show grounds.

27. VIDEO CAMERAS: Any public display or use of any photos, videos or digital images of any NWSS event(s) for public dissemination without express written consent from NWSS is strictly prohibited. All professional photographers must obtain appropriate media credentials from the NWSS PR/Media department upon entering the grounds. All visitors (paying or non-paying) grant to the NWSS and its designees the irrevocable permission to use his or her voice or likeness in any media now or hereafter existing in connection with all or any part of the NWSS or related events, for any purpose whatsoever, including the commercial purposes of the NWSS and its sponsors, licensees, advertisers or broadcasters. NWSS reserves the right to use exhibitor and livestock images, portraits and likeness as captured by official NWSS photographers for promotions, advertising and marketing endeavors.

28. BABY STROLLERS: Baby strollers will not be allowed in the stable areas and are strongly discouraged in other horse and livestock stalling areas. Please place all strollers in the appropriate areas.

29. PROTEST: Any exhibitor lodging a protest with the NWSS must first deposit $100.00 cash or certified check with the Show Management, with sum to be forfeited if the protest is not sustained. A protest must be signed by the protester and must be filed in writing within 12 hours of the occurrence of the alleged violation. Protests will then be handled in accordance with the appropriate breed association rules and regulations. Any federation or association guidelines on filing protests supersede NWSS guidelines.

30. SALES: All sales being conducted by a breed association must be in accordance with state laws, and/or breed regulations. Each consignor must be a member of the association sponsoring the sale. All checks for purchase of stock must be payable to the association sponsoring the sale, NOT A SALE COMPANY. All animals must be inspected and ownership proven prior to sale, by a Colorado Brand Inspector. Each association must comply with Colorado Law concerning issuance of proper bills of sale, purchaser’s invoices, and consignment records. Sale catalogs must show lot number, complete description of each lot, and owner’s name. Private Treaty sales are allowed and encouraged.

31. DISPUTE RESOLUTION: Any dispute involving these Rules and Regulations shall be resolved by the NWSS Management and the Horse Executive Committee.

**RULES:** Each obstacle is allotted an amount of points from 10 to 120 based on difficulty. Obstacles can be jumped in both directions and only twice to count. Competitors are credited with the number of points carried by each obstacle provided it is jumped clear. No points are awarded for an obstacle knocked down. Each competitor is allowed a fixed time of 60 seconds. During this time, he must cross the starting line in either direction and may jump all the obstacles he wishes in any order and in any direction. Sounding the horn declares the end of the round. The competitor must then cross the finish line in any direction for the time to be recorded. The competitor will then be allotted 20 seconds to jump the optional Joker Jump one (1) time for a plus or minus 200 points. The competitor who obtains the greatest number of points will be the winner. In the event of a tie in points, the fastest time taken between the starting line and the finish line will be decided. In the event of a tie in points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.

**SERIES:** This class is the fourth and final qualifying event for the Init2Winit Speed Jumping Series, a nationally televised series of five speed jumping events. The top five finishers as well as a Wild Card will compete in the Championship at the International Omaha on April 5, 2019. More information at www.InternationalOmaha.com/Init2Winit-series
