

CARLOADS OF BULLS

RECEPTION OF LIVESTOCK

No animals will be allowed in the "Yards" or on "the Hill" either in tie outs or in the barns/pens prior to January 5. Due to our new extended livestock schedule, all livestock must comply with the Arrival and Release schedule for both the "Yards" and the "Hill". Thank you in advance for your cooperation.

ENTRY FEE: \$70 Per Load

Signs must be ordered using enclosed card.

1. Rules and Regulations: General Rules and Regulations apply to this division as well as those rules listed below and in specific breed divisions.

2. **All entries close November 20, 2019 and should be made through the National Western Stock Show or online at www.nationalwestern.com.** Late entries will be accepted after the postmarked entry deadline up to December 10, 2019 by paying an entry fee fifty (50%) percent greater than those listed. No entries will be accepted after December 10, 2019.

3. Animals must be entered and shown by the original breeder or first owner. Animals entered and exhibited in this division must be owned by an individual, corporation, partnership, and/or working family unit. 5. **The assignment of pens will be made at the time entry fees are completely paid and only to animals that arrive at the show. Entry fees do not dictate pen space. Specific pen requests must be submitted in writing and in the Yards Office by December 10, 2019. There is no guarantee the requests can or will be honored. Night pen and tie out space will be assigned separately from the exhibit pens. Pens on or near the Main Alley will not be used as Night Pens.**

6. Three (3) bulls per exhibitor from the Pens or Carloads divisions in the Yards may sell in the official breed association sale, with the exception of those breeds which specify otherwise, provided they are selected in time to be catalogued for the sale by the breed association except for the Grand Champion and Reserve Grand Champion Carload. In addition, uncatalogued bulls from the Carload division champion will be allowed to enter the sale not to exceed five (5) head from any breed. The breed association accepts full responsibility and liability of the transfer of the animal. The bulls are to be returned to their respective pens in the Yards immediately following the sale to remain on display until release time.

7. This classification is arranged for purebred registered breeding bulls in commercial quantities. A carload will consist of eight (8) yearling bulls or ten (10) bull calves. Entries that do not have the required number will be yarded outside of the bull show area.

8. All alternate bulls must be designated and processed on the day of check-in with the breed association.

9. Only those animals within the specific ages for the listed classes will be eligible to show (unless otherwise specified by breed association).
