- C. **NEW for 2022:** All Yards and Hill cattle pens/stalls will be pre-bedded for a fee of \$25.00 per head entered. Exhibitors may purchase additional bedding through the NWSS Feed Store online at store.nationalwestern.com or on grounds during the Feed Office hours should they choose to do so.
- D. Registration numbers must be stated on entries.

2. Special Rules:

- A. All animals must be registered in the American Wagyu Association herd book and recorded in the name of the exhibitor 30 days prior to the NWSS entry deadline. Exhibitors must have the original registration certificate for each animal available for inspection at the show. There will be six breeding group class shows: Black Wagyu Fullblood, Red Wagyu Fullblood, Red/Black Wagyu Fullblood, Black Wagyu Purebred, Red Wagyu Purebred and Wagyu Percentage. For the purposes of this show, Wagyu Percentage means animals that qualify for the Percentage category according to the AWA rules Section I, Rule 1, Item 3 Percentage Wagyu “females must have at least 50% Wagyu blood and males at least 87.5% Wagyu blood.” Breeding group classes will not compete with each other.
- B. Cattle must be entered under the recorded ownership at the time of the show entry deadline. Jointly owned animals must be entered under the multi-ownership (all co-owners) in the individual classes.
- C. All animals must be properly tattooed and will be inspected at the show. Tattoo must be legible and must match registration papers. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.
- D. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair). The use of paint, glue, graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

- E.** Winning animals in all divisions may be subject to DNA Parentage Verification (sire and dam only). If the Parentage cannot be verified by the lab, the exhibitor will not be awarded the prize money and the animal will forfeit its winning position.
- F.** All cattle must meet the health requirements set out by the NWSS Show Management. Any deviation will be just cause for immediate disqualification from the show.
- G.** All bulls must show with nose lead. The right to disqualify from the show any animal deemed unmanageable is reserved by the show committee.
- H.** All females shown in the cow/calf classes must be shown with a calf at side.
- I.** Calf at side in the cow/calf classes must be her last natural born calf (not an embryo calf born to another recipient).
- J.** Any person found guilty of misrepresentation, or not abiding by the show rules, will be disqualified and denied the privilege of showing.
- K.** The registered owner/exhibitor must be a member in good standing with the Association.
- L.** American Wagyu Association offers \$5,000.00 of the premiums in the following classes. Combined premiums are shown below. All premiums will be paid directly from National Western Stock Show offices.
- M.** Authorized representatives of the Association have the authority to enforce the rules set forth herein, including barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
- N.** Judges will have no previews of competing cattle or meetings with show exhibitors prior to the show. This is to maintain impartiality for all competitors and judges. Violations of the rule will result in disqualification of Judge, competitors and animals.
- O.** 2 Judges will be used for the evaluation of the animals and showman on a cumulative scoring basis. There will be a Head Judge and an Associate Judge selected by AWA or NWSS. Should 1 judge be excused for any reason show will continue with 1 judge and single scoring. It is the intent that the Associate Judge from one year be the Head Judge for the following year.
- P. Showmanship Classes:** Novice (8 yrs to 18 yrs NEVER SHOWN BEFORE), Juniors (8 yrs to 10 yrs), Intermediate (11yrs to 15 yrs) and Seniors (15 to 18 yrs). No bulls will be allowed for safety reasons. Cattle used in Showmanship classes do not need to be owned by exhibitor, but do need to be properly fitted and entered in the NWSS American Wagyu Association Show competing in at least one sanctioned class in the current year. Judging is solely on the exhibitor and not the confirmation of the animal. Additional Ring Stewards will be added for these classes the purpose of safety. Animal disposition is important and unruly animals can be dismissed by the judges, at their discretion and the participant will forfeit the class.
- Q.** If for any reason an exhibitor or their animal is disqualified, their placing/winnings will go to the exhibitor that placed next behind them.
