

# Draft Obstacle Driving Hitch

1. Time starts when neck yoke passes the markers.
2. Drive thru the straddle with the log between horses
3. Drive thru & thru figure 8 and the serpentine to back thru.
4. Drive into back thru until rear axle is completely within the obstacle. Back out.
5. Drive thru U-turn to garage. Swing team and back cart in so double tree is within obstacle.
6. Drive to & over bridge thru finish line.
7. Teams are to be kept at a walk or trot. There will be a 30 second penalty for loping or galloping. Loping or galloping is defined as two or more strides in that gait. Team may leap once when starting the load; two or more leaps will be considered a gallop.
8. Disqualification will occur if a team alters the prescribed course.
