

AQHA & APHA Show

2024 Recap

The historic American Quarter Horse and American Paint Horse shows were again a highlight in Denver. Featuring the working horses of our Western heritage, the shows contained halter, roping, barrel racing, ranch trail and ranch riding events. Exciting head-to-head matchups concluded the roping portion with breakaway, tie-down, heading and heeling contests for the youth and amateur qualifiers. The Quarter Horses took three of the four finals leaving breakaway to the Paints. Barrel racing was also featured in the storied Denver Coliseum.
