Dear Exhibitors and Fellow Supporters of the National Western Stock Show:

Welcome to the 119th National Western Stock Show! What began in 1906 as a small livestock show has blossomed into a world leader in agriculture, equestrian, rodeo, trade exhibits, and the Superbowl of livestock shows. We have come a long way, and without your support as a valued exhibitor, it simply would not have been possible to grow this show to over 700,000 visitors and competitors each year.

On full display at the 2025 show is the construction of the future world headquarters of the National Western Stock Show rising out of the ground as the Legacy building nears completion. This four-story, 100,000-square-foot facility will serve as an educational hub, highlighting the significance of agriculture and the rich history of our 119-year-old event. Opening in time for the 2026 Stock Show, the Legacy building will celebrate and preserve our Western heritage 365 days a year.

The Sue Anschutz-Rodgers Livestock Center is rapidly taking shape and is slated for completion by the 2026 National Western Stock Show. This impressive facility will feature a show arena with seating for over 3,000 spectators in the stands, expandable to more than 5,000 with the use of the arena floor. It will be an ideal venue for showcasing champion livestock as well as provide Denver with a multi-purpose arena all year. The adjacent barns will offer stalling for both horses and livestock and can be converted into an expo hall outside of January.

The final piece of Phases 1 and 2 of the development is the new Equestrian Center and possible hotel. The design and construction firms have been chosen for this important component of the campus, and construction is forecast to begin in 2026. The added component to the Equestrian Center is a hotel, which is currently under consideration by the City of Denver. A decision will be made on this asset in 2025.

On behalf of our members, trustees, board of directors, and staff, we extend our heartfelt gratitude for your unwavering support and participation in the National Western Stock Show. Your contributions are integral to our continued success, and we look forward to many more years of collaboration.

Best wishes and continued success,

A handwritten signature in black ink that reads "Paul D. Andrews".

Show Management and staff handle each exhibitor equitably and, in return, ask for exhibitors' cooperation and support to make the show a continued success.

6. **MOTORIZED VEHICLES AND NON-MOTORIZED TRANSPORTATION:** There shall be NO motorized vehicles, golf carts, roller blades, skateboards or scooters allowed on NWSS grounds without prior written approval and proof of liability insurance coverage. With the exception of unloading

and loading, all vehicles must be parked in designated parking lots. Please read and be aware of USEF regulation: Per USEF GR901.29: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

7. **DOGS AND PETS:** No animals, other than those being exhibited, are allowed on National Western Stock Show grounds with the exception of service animals as defined by the Americans with Disabilities Act. Service animals must be harnessed, leashed or tethered to the handler at all times, unless being attached interferes with tasks. If not attached, animal must remain close to the handler and be under verbal or signal control. Any service animal who displays unruly or aggressive behavior towards other guests, employees or animals may be denied entry or asked to leave the facility. For the safety and well-being of all involved, all other animals are prohibited. Further, it is recommended that owners/handlers confirm that service animals are up to date on all vaccines.

8. **DISABLED:** NWSS shall not knowingly exclude disabled exhibitors from showing who are in compliance with national association rules, NWSS Rules and Regulations and who have appropriate licenses and documentation.

9. **ENTRIES:** Every entry shall constitute an agreement that the person making it, owner, trainer, lessee, agent, manager, coach, rider, and the horse shall be subject to the constitution and rules and regulations of each sanctioning organization and the NWSS. Exhibitors are responsible for their own errors and those of their agents in preparation of entries. Entries should be submitted through proper entry programs and accompanied by fees and all necessary documents (youth cards, amateur cards, association membership cards, measurement cards and complete copies of registration papers showing current owner). If an entry is submitted missing any of the above items, it will be declined until it is submitted completely. If the entry is submitted to NWSS after the entry deadline, a late entry fee may be charged should the entry be accepted. If an entry is submitted with an owner who has a balance, the balance must be paid prior to the entry being accepted.

A. **ENTRY DEADLINES:** Entries for the 2025 Horse Show will all be submitted electronically through the website. See below for the opening and closing dates by division. Invitational and special event participants will be notified of deadlines. These deadlines will prevail unless otherwise stated or communicated. By submitting an entry, you acknowledge you have read, understood and agree to abide by the NWSS Rules & Regulations, division specific rules and any appropriate sanctioning organization's rules. **INCOMPLETE ENTRIES WILL NOT BE ACCEPTED.**

E. FEES: For entries to be accepted, a minimum of the Exhibitor Fee MUST accompany entries. Exhibitors submitting entries will be notified of the processing date for their division and they will have until then to mail a check to NWSS to replace their credit card. All Canadian and international exhibitors must pay all fees in United States funds. Any exhibitor issuing a check for payment of entries, stall or badges which does not clear their account for any reason will have five (5) days in which to make payment to keep entries eligible to participate in the NWSS, with a \$40.00 additional charge assessed. No refunds will be made on accounts of less than \$10.00.

F. ENTRY CAP: Show Management reserves the right to cap or limit entries in one (1) or more divisions, show or events. Entries with payment received by the entry closing date will be processed by timestamp with priority given to entries in ticketed performances to ensure high quality events. Show Management reserves the right to refuse, accept conditionally, and/or cancel any entries, also to disqualify exhibitors, prohibit exhibition of entries, and cancel awards or prizes, without claims for damage.

G. SUBSTITUTIONS: A substitution requires a vet certificate or other notification from the exhibitor explaining the intent to substitute the original entry. Substitutions must be made prior to or during show with the Horse Show Office. A fee of \$30.00 per horse will be charged for substitutions. All substitutions must be in writing (fax acceptable (303) 299-5526). No substitutions will be accepted by phone. Riders or handlers may be substituted at any time provided the change has been made in the Horse Show Office, prior to the start of the class and the rider/exhibitor meets all eligibility requirements for the class(es).

Once a horse or other animal is on NWSS Grounds, the vet certificate must come from the NWSS Official Show Veterinarian. All vet outs must be submitted in writing to the Horse Show Office by the last day of the division in which the horse or other animal is/was competing. Exhibitor badges and parking passes will not be available to owners, exhibitors or trainers if the entry is vetted out. Refunds for any other reason are at the sole discretion of Show Management. No refunds will be made on accounts of less than \$10.00.

I. SHOW SCRATCH: Exhibitors canceling entries without proper vet out requirements will forfeit all fees. Exhibitor badges and parking passes will not be available to owners, exhibitors, or trainers if the entry is scratched. Refunds may be requested of show management with a description of an extenuating circumstance in lieu of a vet out. These requests must be submitted in writing by the last day of the division in which the horse or other animal is/was competing.

CODE OF SHOW RING ETHICS

FROM THE INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS. All exhibitors will be expected to adhere to these guidelines in addition to the NWSS Rules & Regulations and specific division rules.

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1) All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- 2) Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- 3) Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- 4) Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly

reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- 5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 8) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 9) The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expos and any special notices to members.
- 11) The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

By submitting an entry for the National Western Stock Show Horse Show, you agree and consent to abide by the Rules and Regulations in this Horse Premium List, including the IAFE National Code of Show Ring Ethics as stated above.

The Heritage Horseshoe program lets donors honor their favorite horse, owner, or ranch while helping spur the creation of the National Western's world-class Equestrian Center.

Heritage Horseshoe offers two types of attractive, horseshoe-adorned plaques. Donations of \$1,000 receive an 8" x 8" wooden plaque with one horseshoe; donations of \$2,500 are commemorated with an 8" x 12" version with two horseshoes. With both options, the accompanying nameplates are perfect for honoring favorite horses, equestrians, and ranches past and present.

Heritage Horseshoe plaques will be on prominent display in the Equestrian Center they'll help build, demonstrating your vital support of the cause. Get yours today!

All exhibitors in the 2025 Horse Show will be asked to fill out a Horse Event Participation Declaration upon animal arrival.

Judge: Buddy Fisher, Abilene, TX

The National Western Youth Ranch Horse Mentor Matchup was created to provide local equestrian youth an opportunity to learn and compete during the National Western Stock Show through relevant hands-on educational activities with their equine partner and top equine professionals.

Up to 10 outstanding individuals, ages 14-21, from Colorado and Wyoming will be selected to participate. Selected youth will be matched with an industry professional who will act as their "coach". They will be given one-on-one practice time followed by a competition.

Selections will be based on:

1. Horse and rider connection and potential
2. Desire to be involved in the equine industry
3. Professionalism
4. Humane and respectful treatment of all animals and individuals

Applications will be accepted through the NWSS website (NationalWestern.com/horse-shows/horse-exhibitors/horse-youth-programs/) through October 31st. Interested youth must submit a completed application, including a video showing the rider's ability and the safety of the horse/rider pair working cattle. Prior to applying, please read the Rules and Regulations in this Premium List concerning rules, health requirements and other information as well as the Program Specifications accompanying the application on the website.

The competition phases will follow appropriate AQHA & NRCHA guidelines and rules.

AWARDS: Champion award and \$2,000 scholarship, Reserve Champion award and \$1,000 scholarship, ribbons 1st-10th. All entries will be asked to ride for awards and photos. Scholarship money is provided by the National Western Scholarship Trust and will be awarded to the school of choice or held in escrow until registered for admittance.

ENTRY FORM: Once notified of selection, youth will receive an entry form to officially enter and commit to participating in the event.

MEETING: Selected youth will be required to attend a rider's meeting immediately prior to the event. Youth will be notified of the time and location once selected.

PARKING: Vehicle parking is included with your exhibitor entry or ticket purchase. Lot H is reserved for exhibitors with a parking pass. There are a limited amount of passes per division. Passes can be requested on your horse entry at a limit of one per horse. Upon move in, additional passes can be picked up from the Horse Show Office on a first come, first served basis. Entry add back money in the roping classes will be added to the circuit payouts. The finals classes are supported by the National Western Stock Show and will offer a separate payout of \$3,000.

RULES: Each obstacle is allotted an amount of points from 10 to 120 based on difficulty. Obstacles can be jumped in both directions and only twice to count. Competitors are credited with the number of points carried by each obstacle provided it is jumped clear. No points are awarded for an obstacle knocked down. Each competitor is allowed a fixed time of 60 seconds. During this time, he must cross the starting line in either direction and may jump all the obstacles he wishes in any order and in any direction. Sounding the horn declares the end of the round. The competitor must then cross the finish line in any direction for the time to be recorded. The competitor will then be allotted 20 seconds to jump the optional Joker Jump one (1) time for a plus or minus 200 points. The competitor who obtains the greatest number of points will be the winner. In the event of a tie in points, the fastest time taken between the starting line and the finish line will be decided. In the event of a tie in points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.

4. A equine may be ridden only one time in each class and on each course.
5. Riders may compete on multiple equines in the Individual Rounds and are subject to the success of the draw. Each equine will have a separate entry and entry fee.

If a rider has not yet completed the course, they must stop and exit when the whistle sounds and they will be considered off pattern. That rider may not place above others who have completed all obstacles in the course in the allowed time.

10. Rider must attempt each obstacle. Riders have three attempts or 30 seconds (whichever comes first) to complete an obstacle before it is deemed a refusal and they must move on in the course. 12. Horsemanship, ability and talent will account for one half of the score while speed will account for the other half. Tie breakers for all divisions will be determined by the fastest time.

Additional scores for overall horsemanship and perseverance will receive 0-10 points each. The twelve obstacles or maneuvers plus the horsemanship and perseverance score will total a maximum of 80 points. The times for each run, including all penalties, will be ranked to assign points. The fastest time will be awarded 80 points, the next fastest 79 and so on. Riders who are off pattern will receive a 0 for their time score but will still receive a horsemanship score.

b. The highest score possible in the Speed Challenge and Collegiate Speed Challenge is 160 points. Twelve obstacles or maneuvers will be scored on a scale from 0-5 points with 5 being the highest. Additional scores for overall horsemanship and perseverance will receive 0-10 points each. The fastest time in the Speed Challenge will be awarded 80 points, the next fastest 72 and so on. The fastest time in the Collegiate Challenge will be awarded 80 points. The number of competitors in the Collegiate Challenge will determine the multiplier factor to be used for the division of points.
