NATIONAL WESTERN STOCK SHOW & AMERICAN ANGUS ASSOCIATION

1. Entries:

- A. All NWSS livestock entries are online at <https://nwssrs.fairwire.com/>.
- B. Entry Fees: Entry fees are \$40.00 per head and a \$25.00 per head pre-bedding fee will be added. Free parking is included with entry.
- C. All Yards and Hill cattle pens/stalls will be pre-bedded for a fee of \$25.00 per head entered. Exhibitors may purchase additional bedding through the NWSS Feed Store on the grounds during the Feed Office hours (7 AM-7 PM) should they choose to do so.
- D. AAA registration numbers must be stated on entries.

2. Special Rules:

- A. The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered for open-class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expenses and shall be included in the premium payments distributed by the show to the exhibitors.
- B. A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.
- C. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on the championship or any group classes, (i.e. get-of-sire, junior get-of-sire, or breeder six-head).
- D. Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look-up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.
- E. Any female shown with a calf at her side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check-in.

- F. Only one person at a time shall lead an animal into the show ring.
- G. *Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly to the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rules 800 - 810. These rules can be found at www.angus.org.*
- H. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp, or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals, or artificial filling. Any animal found to be in violation will be barred from showing.
- I. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors, or member-owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line-up areas.
- J. All animals exhibited are subject to DNA marker or blood type test to verify the accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show
- K. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
- L. Grand and Reserve Grand Champion cow/calf pairs do not show for Grand Champion Female and are ineligible to compete in the get-of-sire, junior get-of-sire and breeder's six-head classes.
- M. Breeding Show Classification: Any classes listed in this classification, which exceeds 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.
- Furthermore, the recommended number of head per class varies per show based on the number of head checked in. See recommendations below:
 - Shows with less than 100 head: 8 head or less per class
 - Shows with 100 – 200 head: 12 head or less per class
 - Shows with more than 200 head: 15 head or less per class.
- Class breaks will be at the discretion of the American Angus Association staff in attendance. If there are more than 30 head in a division, the division should be split into Divisions 1, 2, etc.
- N. Premiums: First place in each individual class will receive one hundred (\$100.00) dollars and the remainder of the premium money will be awarded on a graduated basis among the other animals after the show has been completed.
- O. The American Angus Association presents a bull statue to the high individual in beef cattle in the junior college livestock judging contest. The American Angus Association awards a leather padfolio to the high individual in reasons for the senior and junior college livestock judging contest.
- P. The National Western Stock Show awards ribbons to all winners in each class through tenth (10th) place, rosettes to all Division Champions and Reserve Champions and banners to Grand Champions and Reserve Grand Champions.

ANGUS HEIFERS

101 Heifers born on or after September 1, 2022

ANGUS COW/CALF

301 Cows born January 1, 2022 - August 31, 2022

Cows born December 31, 2021 or earlier

Calf must be the cow's most recent natural calf and be no more than 280 days of age on the day of show. Any female that qualifies for female classes in the Association's Standard Classifications are not eligible to show in the cow/calf class.

ANGUS BULLS

201 Bulls born on or after January 1, 2022

ANGUS GROUPS

401 Get of Sire: (\$0 class) Four animals by one (1) sire, shown in the above classes, both sexes represented.

501 Junior Get of Sire: (\$0 class) Three (3) animals by one (1) sire, both sexes represented. Entries must have been calved on or after May 1, 2022.

601 Breeders 6 Head: (\$0 class) The exhibitor of the breeders' six head must be the breeder and first owner, identified by the same member code for the animals exhibited. Cattle owned by other exhibitors may be included provided the exhibitor of the breeder's six head is the breeder and first owner of the included animal(s). Animals must be exhibited in the individual classes. Cattle bred and owned by a junior member may be included if the exhibitor of the breeder's six head is an individual or married couple and is the parent or legal guardian of the junior member.
