A copy of the registration paper or an affidavit of registration must accompany each entry to the show. All cattle will show by the breed percentage rules adopted by the AGA Board of Directors that determines animal category. Animals are placed in the category based on the rule of the year that animal was born: "Percentage, purebred and full blood Gelbvieh females seventy-five (75%) percent to one hundred (100%) percent by category will show together in the Gelbvieh show. Percentage, purebred and full- blood Gelbvieh bulls seventy-five (75%) percent to one hundred (100%) percent by category will show together in the Gelbvieh show. A 75% Gelbvieh female or bull that is at least 25% Angus or Red Angus can choose whether to show as Gelbvieh or Balancer at the time of entry, but cannot choose to show in both Gelbvieh and Balancer shows.
