2. Special Rules:

- A. Heifers & bulls competing in the Gelbvieh division must be 75% Gelbvieh or greater and registered in the AGA Herd book.
- B. Heifers & bulls competing in the Balancer division must be registered in the AGA herd book. All animals must have Electronic Identification (EID) tags and the corresponding EID number must be listed on the animal's AGA registration certificate. EID tags will be scanned at check-in and certificates will be referenced to ensure proper identification.
- C. The same Heifers & bulls cannot be entered in a Pen of 3 and Pen of 5. The entries and alternates must be declared by the check-in and processing time.
- D. The following performance data must be provided to the judge prior to the show for each bull entered: Bull identified by name or number; bull birth date; percent Gelbvieh; and, if available, current weight; current scrotal measurement and weight per day of age; and EPD's, for individual and pen. Proof of satisfactory semen evaluation for bulls twelve (12) months of age or older as of December 31 must be submitted at the time of check-in. Neither actual nor adjusted birth weight, weaning weight or yearling weight will be provided.
- E. Class will be determined by calculating the average age of the pen. If an alternate is used, age will be recalculated and the pen will be placed in the appropriate class. Young bulls may be shown in an older pen class only if there is a pen class corresponding to his birth date. (IE: an April bull may show in the March class, but a June bull cannot show in any class because there is no June class). Data forms will be provided by the CGA.
- F. Premiums: American Gelbvieh Association offers \$690 of the premiums offered. National Western Stock Show offers \$690. First place in each Gelbvieh and Balancer class will receive at least one hundred (\$100) dollars and the remainder of the premiums will be awarded on a graduated scale after the show is complete. All premiums will be mailed directly from the National Western Stock Show offices.
