## LOT 1 *5 Heifer Calves - Replacement*

Consinged by Carnahan Ranches, Chris Carnahan  
Kiowa, CO  
303-907-5158

Calved after January 1, 2024 – BD: 3/25/2024

This is a powerful set of 6 open yearling heifers that comes to you from a long line of selected genetics from Carnahan Ranches. Selected for disposition and structural soundness, these heifers were gate cut from our replacement pen with uniformity in mind. Heifers are home raised, 2024 spring born calves. They were weaned November 1st on oat hay and a starter ration.

They are fully vaccinated with Vista Once and 7 Way boosters, 2 rounds of Endovac, and boosted with a Nasalgen3 vaccine at weaning. They have received Ivermectin pour-on.

Heifers are out of Limflex & SimAngus cross cows by Angus, SimAngus and Limflex Bulls. Raised above 6500 feet elevation.

**LOT 2** *5 Heifer Calves - British Cross Open*

Consinged by L 5 Land and Cattle, Landon Verbeek  
Fort Lupton, CO  
303-324-5523

Calved after January 1, 2024 - BD: 1/31/2024 - 2/9/2024

This solid, uniform set of females is a sound-footed, maternally built group you don't want to pass up. Daughters of moderately framed, easy-calving cows these girls are sure to make a fantastic addition to your operation.

## LOT 3 *5 Yearling Bred Heifers - Black Bred*

Consinged by Nikki Weathers  
Yuma, CO  
970-630-9545

Calved after January 1, 2023 – BD: 1/31/2023

Here is a true front end type of females built to be brood cows They are big, stout, and attractive females out of some of our most maternal cow families. This set of Angus heifers will add a powerful base to your herd. They have grown well this fall while raising calves in utero. They are all bred Hereford and will soon have baldy calves by their side. They are due to start calving March 16th for three weeks.

**LOT 4** *5 Yearling Bred Heifers - Bred Baldys*

Consinged by Nikki Weathers

Yuma, CO

970-630-9545

Calved after January 1, 2023 - 2/22/2023

A baldy cow is the most valuable asset in our herd. The hybrid vigor these cows bring is unmatched. The baldy cows have been phenomenal mothers we use to ai as well as be recipis for many different herds. Time after time they raise big calves. This group is heavy muscled, deep sided and good footed. They are due to start calving March 16th for two weeks.

**LOT 5** *10 Heifer Calves - Replacements*

Consinged by Nikki Weathers  
Yuma, CO  
970-630-9545

Calved after January 1, 2024 – BD: 2/25/2024

These black heifers are big and powerful and will be phenomenal cows. I am not sure we have weaned a better set of black. This solid set of heifers is ready to be crossbred with anything and make a great hybrid calf. We will keep their sisters to be the Angus base of our herd. They have full calfhooD vaccinations and also boosted at weaning. They are Bangs vaccinated and ready to breed. Heifers are sired by True North, Chaps, and cleanup bulls from Krebs Ranch, Hoffman Ranch, and Bear Mtn Angus.

## LOT 6 *5 Yearling Bred Heifers*

Consinged by Sidwell Ag  
Ault, CO  
970-302-0235

Calved after January 1, 2023 – BD: 3/1/2024

These females are an outstanding set of Hereford sired heifers, born February 7 to April 5 '23. They were AI'd early May to Stevenson Turning Point then turned out with low-birth-weight Booth and XBar Angus bulls. They were ultrasounded 9/12/24 as AI bred. They come from some of the best producing mothers in our herd. They have all received their first round of scour vaccine, as well as back-pour and 7-way vaccine, and recently followed up with Inforce 3.

## LOT 7 *5 Yearling Bred Heifers*

Consinged by Sidwell Ag  
Ault, CO  
970-302-0235

Calved after January 1, 2023 – BD: 2/15/2023

This high-quality set of SimAngus cross heifers, born February to March '23 were AI'd early May to Stevenson Turning Point then turned out with low-birth-weight Booth and XBar Angus bulls. They all come from great cows that have been bringing a strong history of genetics into our herd. They have all received their first round of scour vaccine, as well as back-pour and 7-way vaccine, and recently followed up with Inforce 3.

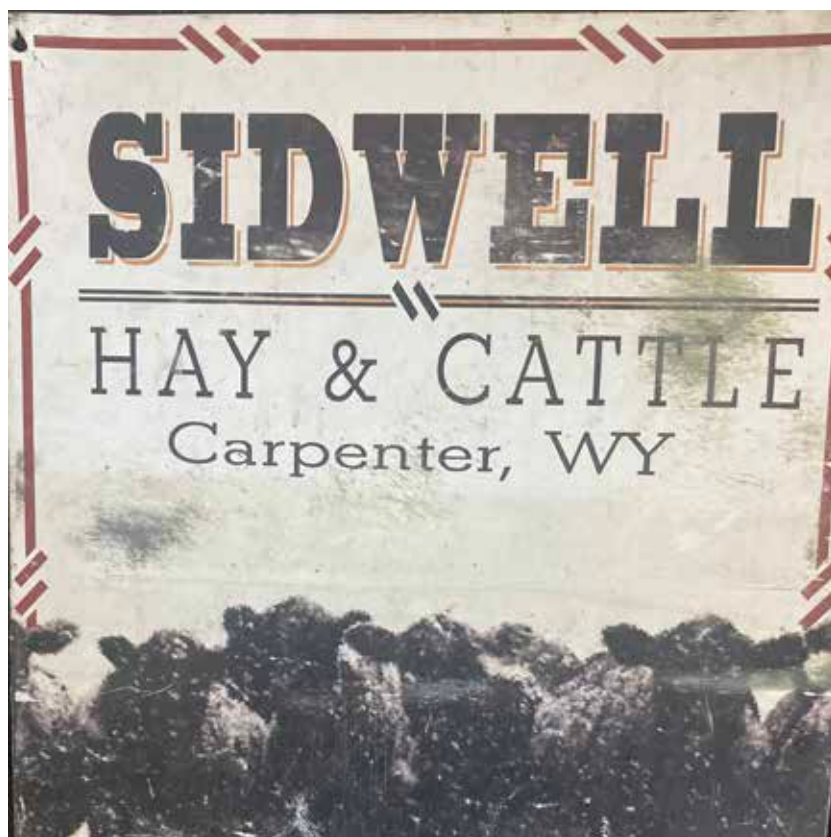

**LOT 8** *12 Yearling Bred Heifers*

US

# the Fence Post

## CELEBRATING OUR WESTERN HERITAGE

Since 1980, The Fence Post has been revered as a trusted source for ag news and information. We don't cover a certain city, county or geography. Rather we celebrate the farming and ranching culture, our western way of life, and the great folks within it. Our unique content spans from livestock production and grain farming to ag legislation and water policies, to stories about the region's ranchers, farmers, and events in our ag community. You'll also find regular comics, columnists, obituaries and the auction and event calendars in every issue. So, grab a cup of coffee and settle in to enjoy this week's issue. And thanks for reading us!

**Local, national, and international livestock industry news**  
• Livestock auction reports  
**Award-winning columnists • Classifieds**  
• Special interest sections • Much more!
