SCHOOL VISITS

Plan your day!

- 1 CSU Ag Adventure & CAM's Classroom** – A tour of Colorado's agriculture including crop and meat production, land stewardship & much more. Be sure to visit CAM's Classroom and grab your Ag Adventure Passport. Adventurers who are successful on their mission will be awarded the ultimate title of Junior Ag Ambassador of NWSS!
- 2 National Western Nursery presented by Murdoch's** – Come meet National Western's newest arrivals of your favorite farm animals and learn about their first days of life on the farm.
- 3 Hutchison Western Pony Trails** – Horse around in this interactive exhibit focused on teaching you the basics of horses and the equine industry. Be sure to say hello to our friends at Denver Mounted Patrol!
- 4 Rodeo 101 Stage Show** – Learn all about the world of rodeo through this interactive exhibit, all new for 2026!
- 5 Youth Art Show presented by Alpine Bank** – View western-themed pieces from Colorado's best young artists.
- 6 Farmyard Follies & GASCAR Crazy Animal Races** – Get in on the ag edu-tainment! Check out the daily schedule for showtimes for funny and educational animal entertainment with Farmyard Follies, and join us for GASCAR crazy animal races to cheer on your favorite livestock animals!
- 7 King Soopers Petting Farm** – This year's petting farm is bigger and better than ever! Interact, pet and feed a diverse group of friendly farm animals, featuring mini Sicilian donkeys, pygmy goats, mini call ducks and more.
- 8 Ames Beef Palace** – Each day features new & exciting programs and entertainment! Check the daily schedule for show times. Join us for Top Hogs of the Wild West, Sheep Shearing, Square & Round Dance Demos, Westernaires Trick & Fancy Ropers and more.
- 9 Yards & Sue Anschutz-Rodgers Livestock Center** – Rooted in history, the National Western Stockyards is where our show began 120 years ago. The all-new, 30 acre Sue Anschutz-Rodgers Livestock Center is the hub for all livestock activities.
- 10 CSU Spur** – CSU Spur is a free, year-round learning campus where science and creativity meet through interactive programs. Visit our three buildings to explore themes in animal science, food, water, and health.
