# CATERING AND HOSPITALITY

Hospitality shapes how an event is experienced and remembered. At The Legacy, food, beverage, and service are designed to feel seamless, thoughtful, and elevated from beginning to end. From the first welcome to the final course, every detail is coordinated to support the flow of the event and the comfort of every guest.

## CULINARY EXPERIENCE

Catering at The Legacy is exclusively provided by SSA, ensuring a consistent, high-quality culinary experience across any type of event. The on-site kitchen, located on the fourth floor adjacent to the National Western Club, allows for efficient service and precise execution, supporting everything from intimate gatherings to large-scale events.

## SERVICE FLOW & EXECUTION

Service is designed to move naturally with the event, supporting both structured and more fluid formats. From passed hors d'oeuvres during receptions to seated dinners and transitions between courses, the service team works in rhythm with the program to create a seamless guest experience.

## DINING FORMATS

The Legacy supports a range of dining styles to match the tone of each event. Plated meals offer a more formal, refined experience, while buffet service allows for flexibility and movement. Both formats are supported with the same level of attention to detail and execution.and event teams.

## BAR & BEVERAGE SERVICE

Bar service can be incorporated throughout the venue, with locations designed to support both accessibility and flow. Whether integrated into reception spaces or positioned within larger event environments, bar setups are tailored to complement the overall experience. The Legacy has 8 bars and can offer a variety of beer, wine, cocktail and non-alcoholic beverage options.

## VIP & PRIVATE DINING

While formal hotel partnerships are currently in development, The Legacy is located within proximity to a wide range of hotel options throughout Denver, providing flexibility for guests and event groups.

## LOCATION & NEIGHBORHOOD ACCESS

For more intimate or elevated experiences, private dining options are available. The Executive Dining Room and other select spaces can be configured to host VIP gatherings, speaker dinners, or more exclusive moments within a larger event.
