SCHOOL VISITS

Plan your day!

1. **CSU Ag Adventure & CAM's Classroom** – A tour of Colorado's agriculture including crop and meat production, land stewardship & much more. Be sure to visit CAM's Classroom and grab your Ag Adventure Passport. Adventurers who are successful on their mission will be awarded the ultimate title of Junior Ag Ambassador of NWSS!

2. **National Western Nursery presented by Murdoch's** – Come meet National Western's newest arrivals of your favorite farm animals and learn about their first days of life on the farm.

3. **Hutchison Western Pony Trails** – Horse around in this interactive exhibit focused on teaching you the basics of horses and the equine industry. Be sure to say hello to our friends at Denver Mounted Patrol!

4. **Rodeo 101 Stage Show** – Saddle up for some rodeo fun! Discover the sport through interactive demos, stick horse rodeos, rope making and more.

5. **Youth Art Show presented by Alpine Bank** – View western-themed pieces from Colorado's best young artists.

6. **Mobile Dairy Classroom** – NEW for 2027, discover where milk comes from with the Southwest Dairy Farmers Mobile Dairy Classroom! This interactive, family-friendly experience brings dairy farming to life with a live cow, milking demos and fun facts about how milk travels from the farm to your fridge.

7. **King Soopers Petting Farm** – This year's petting farm is bigger and better than ever! Interact, pet and feed a diverse group of friendly farm animals, featuring mini Sicilian donkeys, pygmy goats, mini call ducks and more.

8. **Ames Beef Palace** – Each day features new & exciting programs and entertainment! Check the daily schedule for show times. Join us for Top Hogs of the Wild West, Sheep Shearing, Square & Round Dance Demos, Westernaires Trick & Fancy Ropers and more.

9. **Yards & Sue Anschutz-Rodgers Livestock Center** – Rooted in history, the National Western Stockyards is where our show began 121 years ago. The 30 acre Sue Anschutz-Rodgers Livestock Center is the hub for all livestock activities.

10. **CSU Spur** – CSU Spur is a free, year-round learning campus where science and creativity meet through interactive programs. Visit our three buildings to explore themes in animal science, food, water, and health.
